LET'S EXPLORE THE MORNINGTON PENINSULA

The Mornington Peninsula is located 1-hour south-east of Melbourne and is the playground of Melbourne's rich and famous. It is a small strip of land that has kilometres of twinkling, calm bayside beaches on either side with rugged surf beaches on the tip of the peninsula. In between the foreshores and back beaches are plenty of stunning destinations, attractions, and experiences. Enjoy mouth-watering local produce and food, cool climate wines, craft beers and distilleries, coastal or inland walking tracks, and even meet some iconic Australia Wildlife. The Mornington Peninsula is a destination to explore and experience.
