THE WILDLIFE ADVENTURE TO PHILLIP ISLAND

The Wildlife Adventure to Phillip Island takes you from Melbourne to the top end of the Mornington Peninsula, and around Western Port Bay down to Phillip Island. From protected bayside beaches of Port Phillip Bay and Western Port Bay to the rugged coastline of Bass Strait, this is home to an array of Australian Wildlife which is dynamic and captivating. Upon arriving at Moonlit Sanctuary and home to an array of Australian iconic wildlife, here is your opportunity to see a koala, kangaroo, dingo, snake, kookaburra, wombat, emus, and even a tassie devil. Phillip Island is home to wallabies, birdlife, echidnas, and the largest colony of fairy penguins. You will be amazed and thrilled to see so many penguins walk from the beach up to their nests right alongside the walking tracks and viewing points only an arm's length away from where you will be standing. From the beginning to the end, you will be amazed and thrilled with the diversity of wildlife and your interactions throughout the day. This is an experience for one and all.
